

WARRIOR

1980

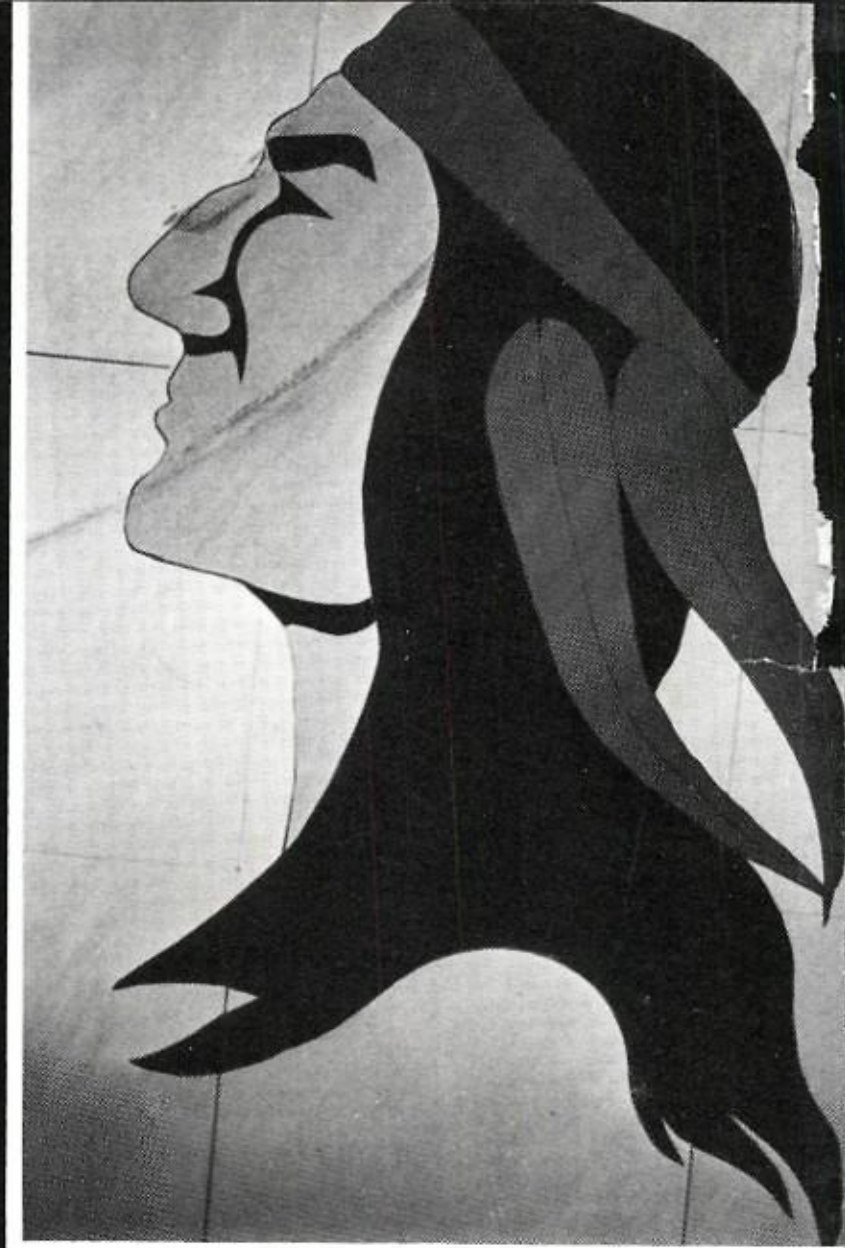

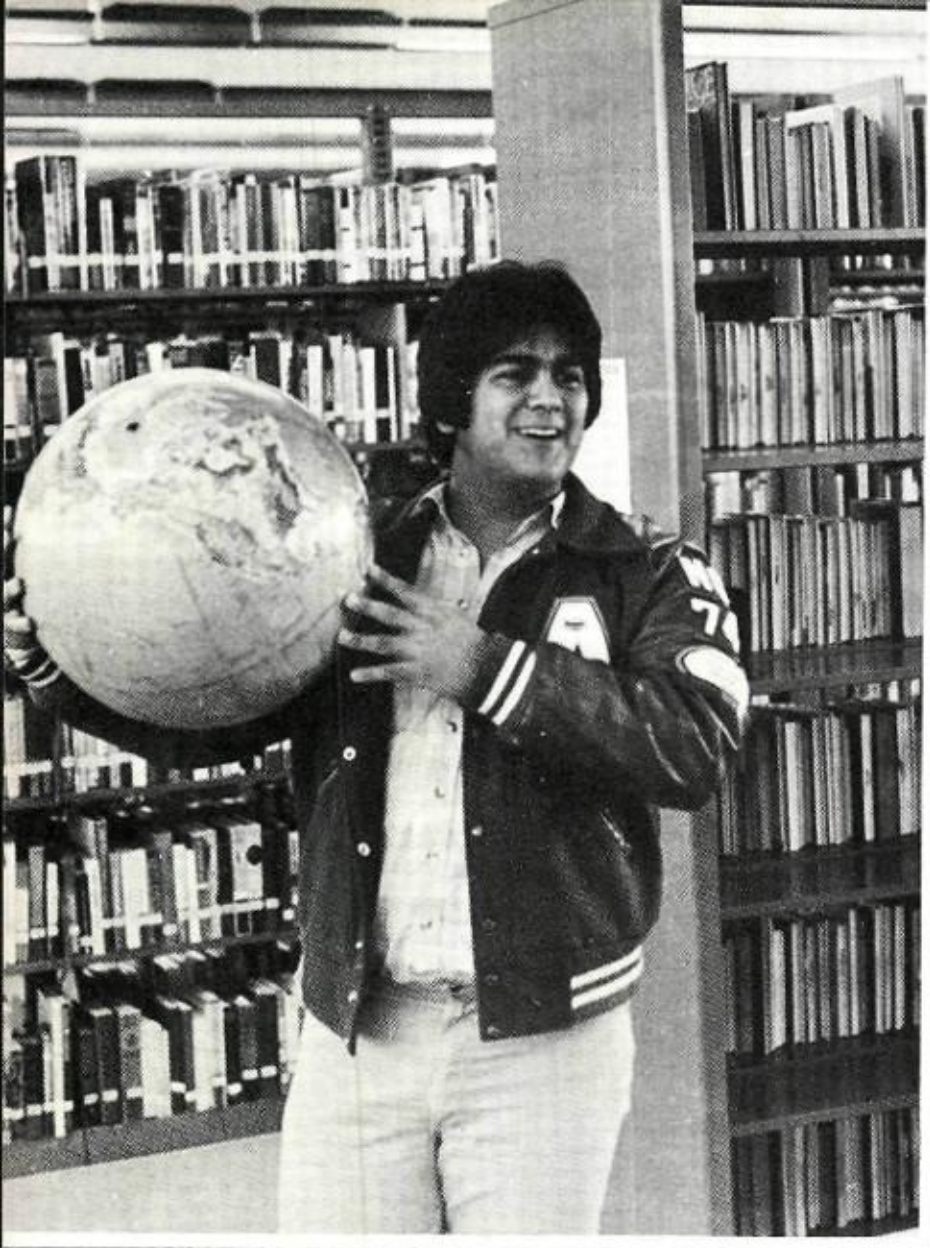

We have chosen "The Impossible Dream" as our motto for the 1979-1980 yearbook for many reasons. First, because we believe Antonian has lived up to the quote, "Antonian is Excellence." Secondly, the seniors this year have the confidence that, "They are the best Antonian can offer". Lastly, our faculty is the best we have had.

Antonian has gone through many changes this year. Each class is uniquely different, having its own personality, desires, styles, and dreams. The job of Antonian is to "... help students realize what they can do, and help them realize their dreams."

We feel that Antonian has done that. With a stable faculty, and the traditions we now have, Antonian can remain "Excellent."

Dreams? Tradition

The sounds of Antonian hold much in store, from the daily routine, to the special events and national prestige received from the school's organizations. To uphold those fond memories of such activities, a soundsheet has been produced and is bound at the left. Locate the perforated edge of the soundsheet (located next to the gutter or center of the two pages) and tear out gently. Place the soundsheet on your record player manually—should the soundsheet slip while playing, place a penny on the soundsheet as indicated. The soundsheet has two sides of playing material—although printing is on one side.

Freshmen: Bide Thy Time and Ye Shall Succeed

The "Glory Days" of eighth grade are over. Now, new faces at the bottom of the crowd, this group has come together, apprehensive of the unknown. Still, they have dedicated themselves to an ideal of excellence, and they will excel. They have come to Antonian, the first step toward that goal, and therefore their greatness is predestined. A long journey is ahead, with many trials and pitfalls, but they will endure. Then let notice be served—bide thy time and ye shall succeed.

Seniors Reach "Impossible Dream"

To be a senior at Antonian is more than just a ring—you must go through some of the toughest educational standards in Texas. We have seen the changes in this school over the past four years, from the "country club" to the college prep it is today. As Antonian begins the decade of the eighties, we know that it has begun on a positive note. With this, we present the Class of 1980.

OVERVIEW

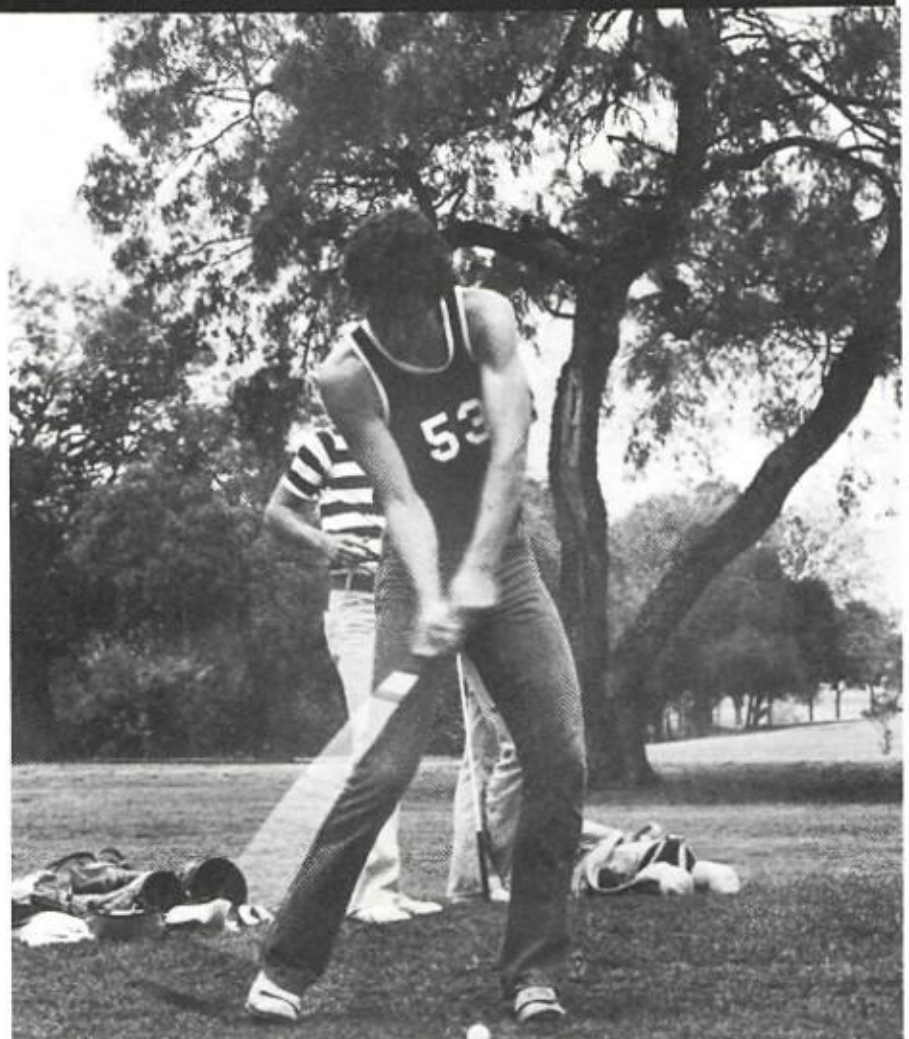

Golf Team

Golf: Runners-up In District Tourney

The Golf team had an excellent season, although it was a limited one. The team first played at the District tournament where they played to the 2nd place trophy. They then proceeded to State where they played well, but not well enough to place. But, in spite of their short season, the Golf team was something to be proud of.

J.V. Has A Good Start

Left to Right: Mike O'Brian, Dan O'Connell, John Hernden, Greg O'Connell, Carlos Solis; Front Row: Edwin Marquez, Greg Mario Gamboa, Richard Gould.

The Junior Varsity Soccer team had an adequate season. They played several tough teams and finished the season with a record of one win, one tie and two losses. It was not a bad season for our young soccer program.

Team	Score	Result
Clark	4-0	Win
TMI	9-4	Lost
Clark	3-3	Tie
TMI	6-1	Lost

RESULT:
1-1-2

Soccer Finishes Fine Season

The Varsity Baseball team had a rather disappointing season this year. Because of injuries, the team was always short many of their better players. They also had an extremely difficult schedule. All of this led to a record of 2-23. However, the team showed remarkable effort and deserves our congratulations for a good try.

J.V. Cagers Clinch Consolation

The Junior Varsity team had an excellent year, as is evident in their fine record. After meeting some tough teams, they ended the regular season with a record of 9-6 and proceeded to the District play-offs. There, they won their first four games but were met with a number of disheartening losses and had to settle for runner-up in the Consolation championships.

They ended the season with a record of 15-9. Next year's crop of Varsity players proved that they have the potential to be a championship team.

B-Ballers Have Good Season

The basketball team played well this year with a season record of slightly under .500. Besides this fine effort, they also had a number of other accomplishments. The team played to a second place showing in the eight-team Canyon Tournament. The Apaches' record in the Southside Tournament was good enough for a first place in the Consolation round. The team ended the year with a 2-7 record. With seven Seniors going on to bigger things, there will be a big hole to fill. But with five returning underclassmen and many players coming up from the Junior Varsity team, the future looks bright.

J.V. Shows Their "Stuff"

The Junior Varsity team was good this year, under the circumstances, despite the transfer of many players to the Varsity team. They managed to end the season with a record of 4-4, playing against a number of excellent teams. Tomorrow's Varsity players more than proved themselves today.

Results: 0-10

The football team had a rather disappointing season this year. Antonian was hit with a tough schedule and repeatedly came up short on the scoreboard. They were beset with many problems, including the resignation of their head coach shortly before the district play-offs. Although there were many close games, the team finished the season with a 0-10 record. But, with a new crop of underclassmen coming up to join the ranks of the Varsity, the future looks bright.

"Skin Of Our Teeth"

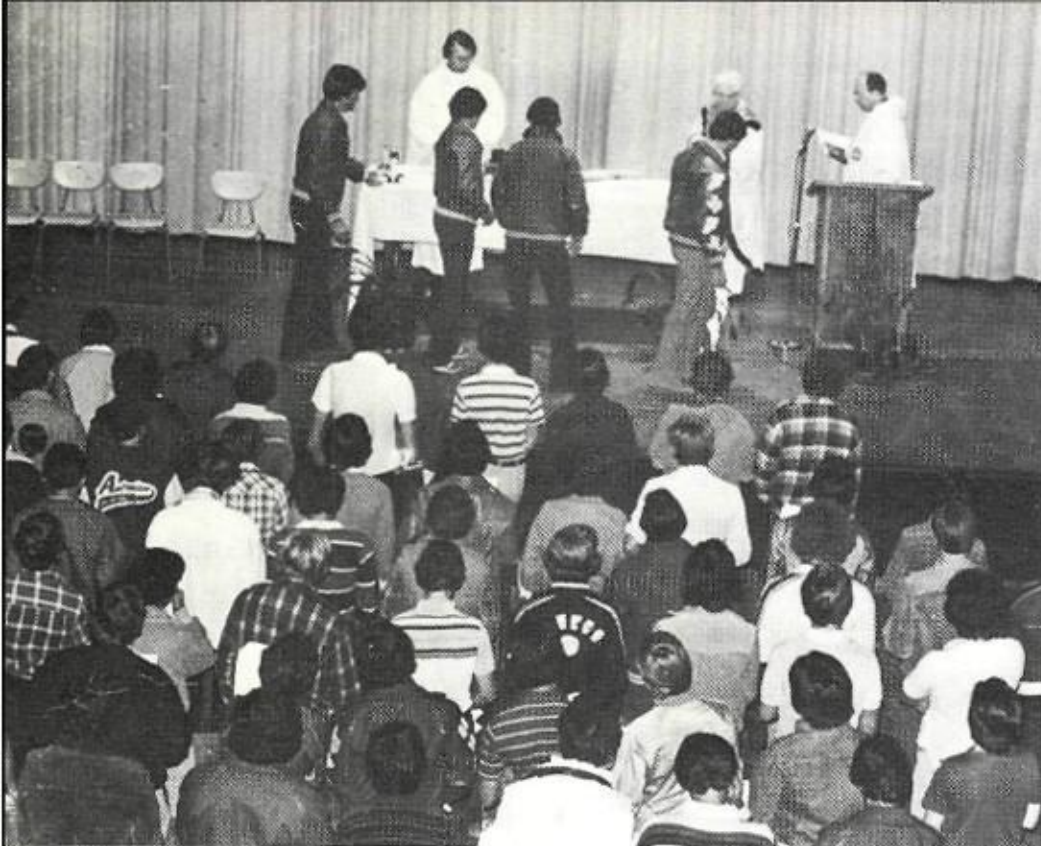

Ursuline Academy's production of "The Skin of Our Teeth" was one of the year's artistic highlights here at Antonian. Students from four area high schools participated in the production, which was presented on March 20, 21, and 22. The director of the play was Mrs. Jeanne Richard, of Ursuline. Those that participated in the play from Antonian were Tim Packard, who had the male lead as Mr. Antrobus, and Mike Flores, as Henry, Mr. "A's" son.

Behind the scenes were Mitch Hughes and Art Guerra, who did much of the necessary technical work, along with Greg O'Connell.

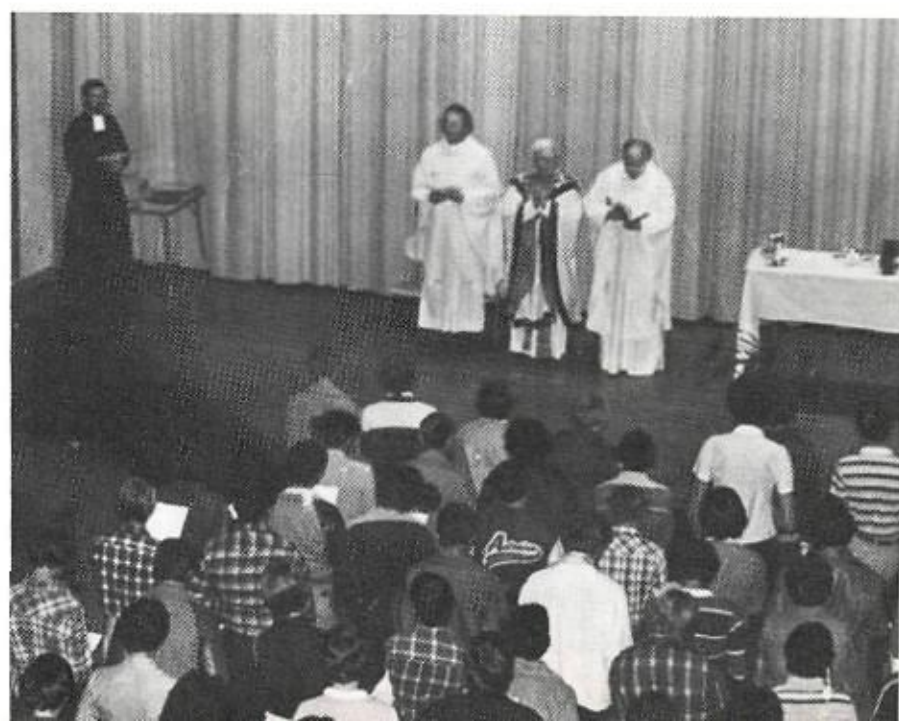

Year's Masses

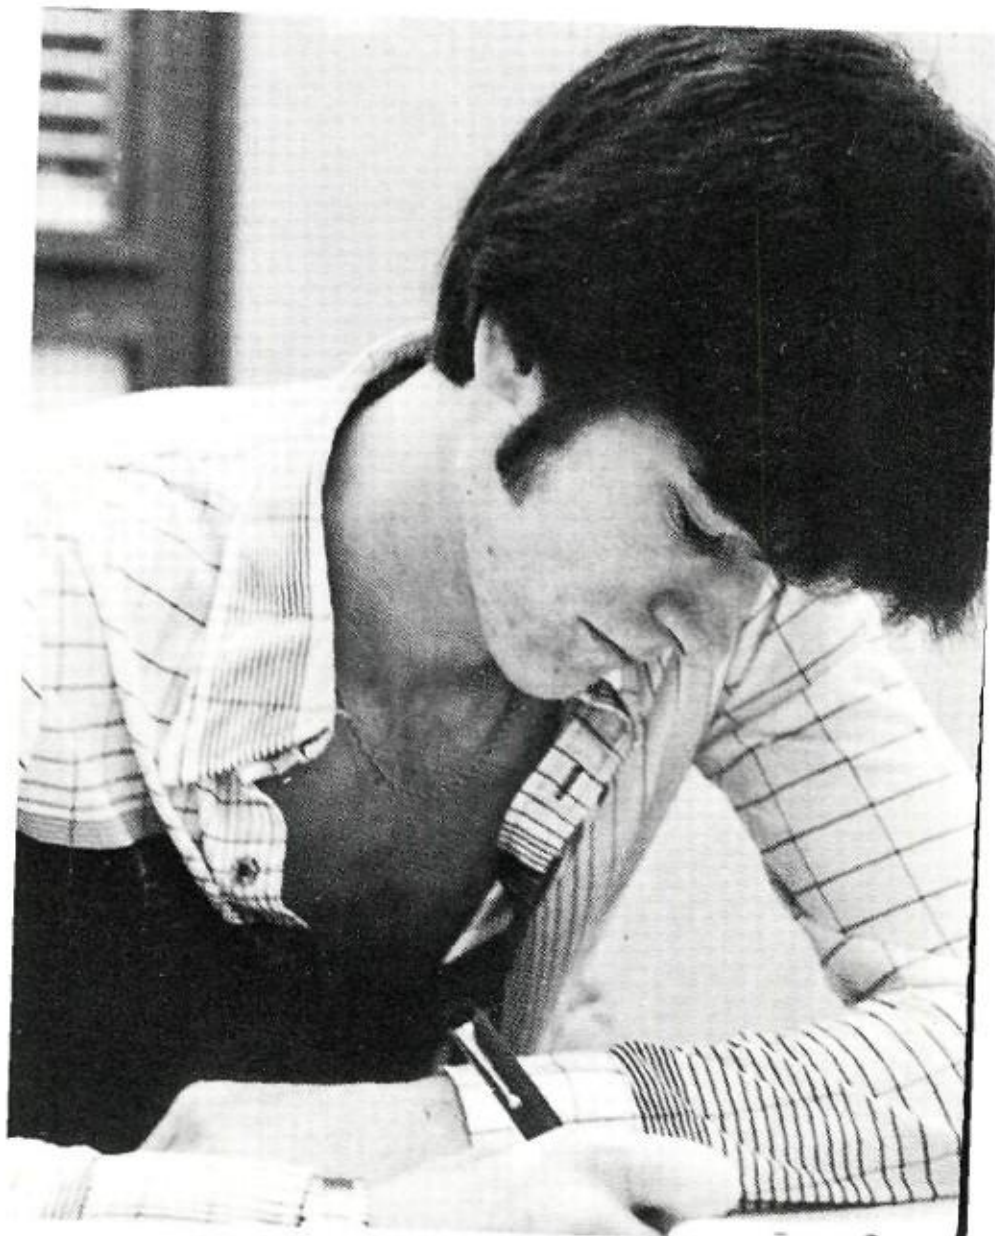

We at Antonian are a community which stands proudly before our God. It is right that we should do this as we are a school based on the principles of Christ's teachings. There can be no better environment for one to find himself and grow to excellence, a tradition on which Antonian strives for. To offer to our Lord in every way our lives is our best achievement of that excellence, and a gift of our true selves, a human gift, a gift greatest of all.

Presidential Forum

Politics '80: This year Antonian students got into the swing of political jargon with a presidential forum to introduce to the students of Antonian and visiting Ursuline Academy the candidates, issues, and answers of the 1980 political scene. The forum was conducted by the History Class under the direction of Brother Anthony Ciccollela. The participants of the rally were Joe O'Shea, Tim Connolly, Matt Baker, Gilbert Schoonover, Albert Arias, and Jerry Cohn. The rally was put on for the benefit of the seniors in attendance to bring about an awareness on who the next president may well be.

Freedom Of Speech Forum Brings National Attention

A Freedom of Speech Forum was held at Antonian during the second semester. The forum was moderated by David Cruz, of KMOL T.V. Panelists included; Nelson Wolff Jr., a former state legislator and Democratic candidate for the 21st congressional district; Jan Jarboe, assistant editor for THE SAN ANTONIO LIGHT; Doug Harlan, Professor at Trinity University and former Republican candidate for the 21st congressional district; and Brad Messer, newscaster of KTSA-KTFM radio.

The Forum was put together by Denny Ezba. It was a success and was recorded by cable television for national coverage.

Jr. / Sr. Prom

Spring time in San Antonio. The sights and sounds of Fiesta, Niosa, baby birdies and pretty girls. And the hint that another year at Antonian is slowly winding down. And, of course, the Junior-Senior Prom. The 1980 Prom was held at Lackland Air Force Base, in the Officers Club. The Prom is traditionally sponsored by the junior class, and again this year it turned out to be a smashing success. With music by Zapata, everyone seemed to enjoy the evening's entertainment. Karen Miller, escorted by Fred Bueche, was crowned Prom Queen of a quite beautiful Prom Court.

Some of the Juniors show off their dates, here Roger Estrada candidly for us with his lady.

Above: Fred, Karen, and Brother Xavier chat before pictures were taken.

Left: Antonian talent, "Show 'em the moves, dude."

Right: The 1980 Junior-Senior Prom court. Miss Donohue crowns Karen Miller Prom Queen.

Baccalaureate UNITED AS ONE

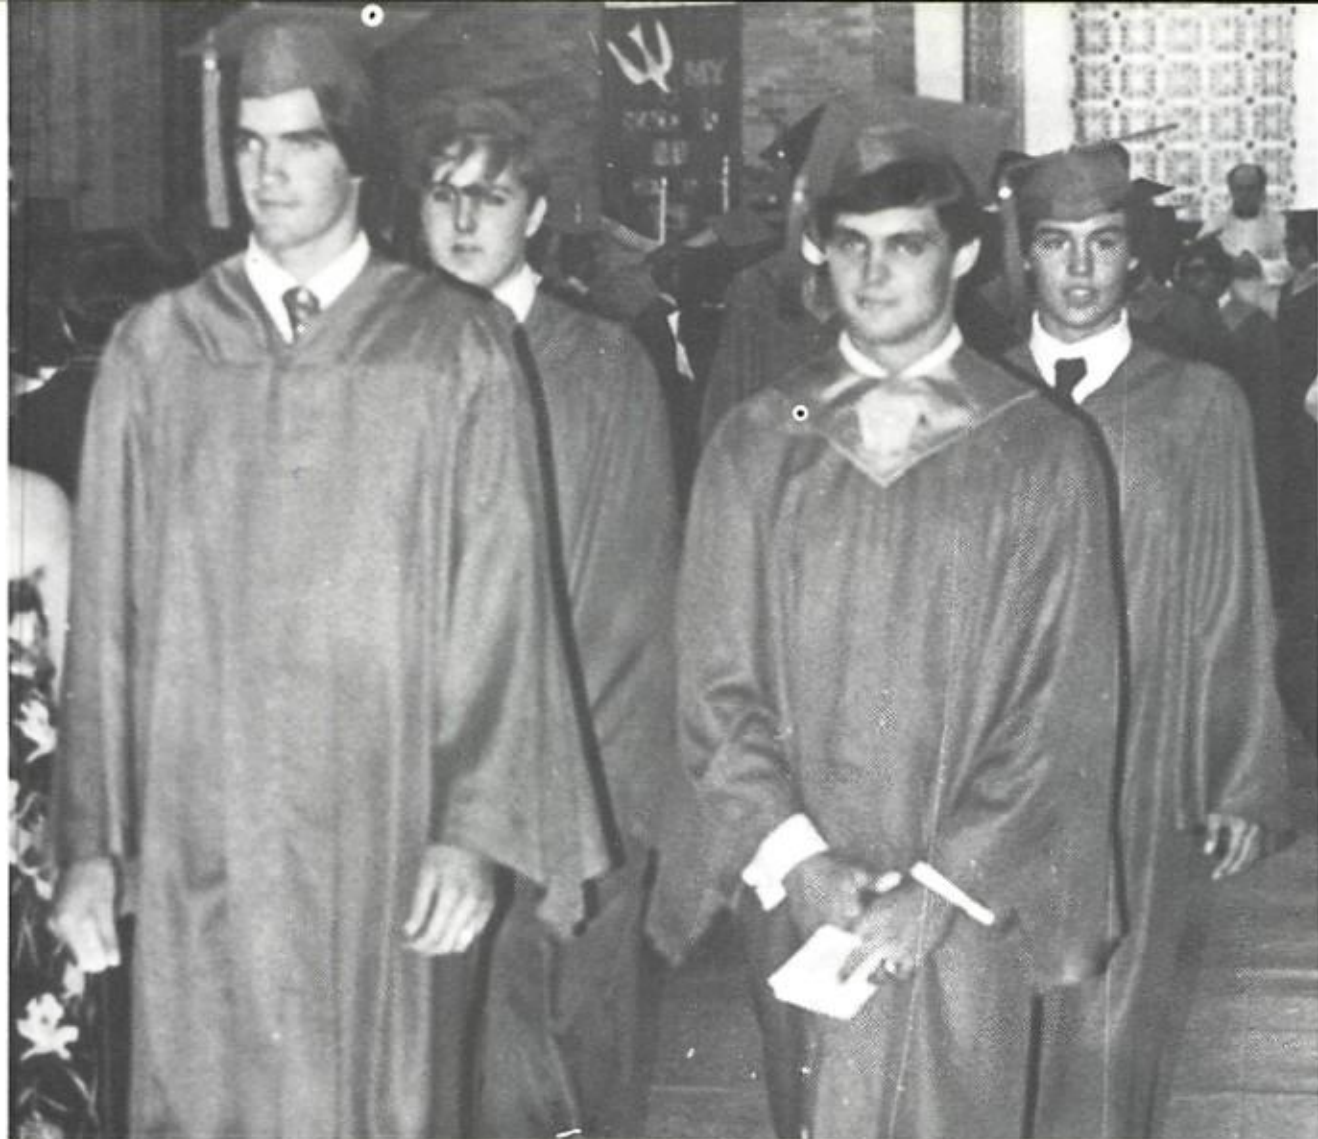

**"... That one man, scorned and covered with scars,
Still strove, with his last ounce of courage,
To reach the unreachable . . ."**

**—Don Quixote
"Man of La Mancha"**

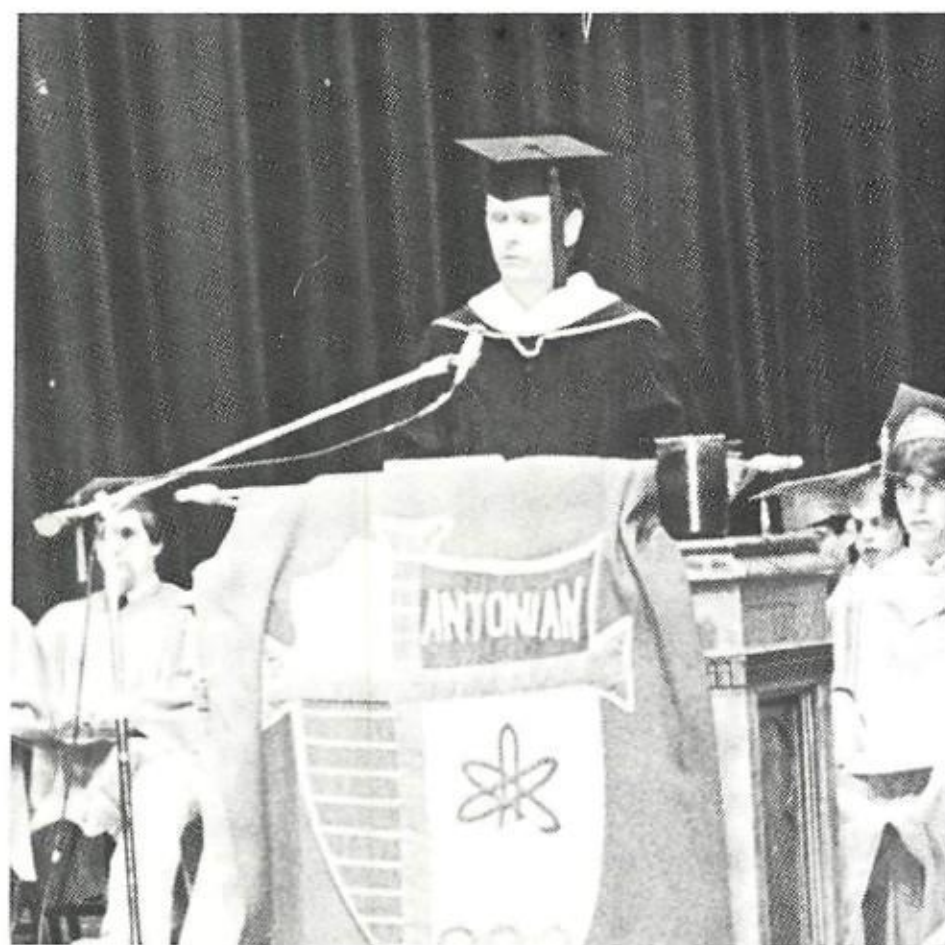

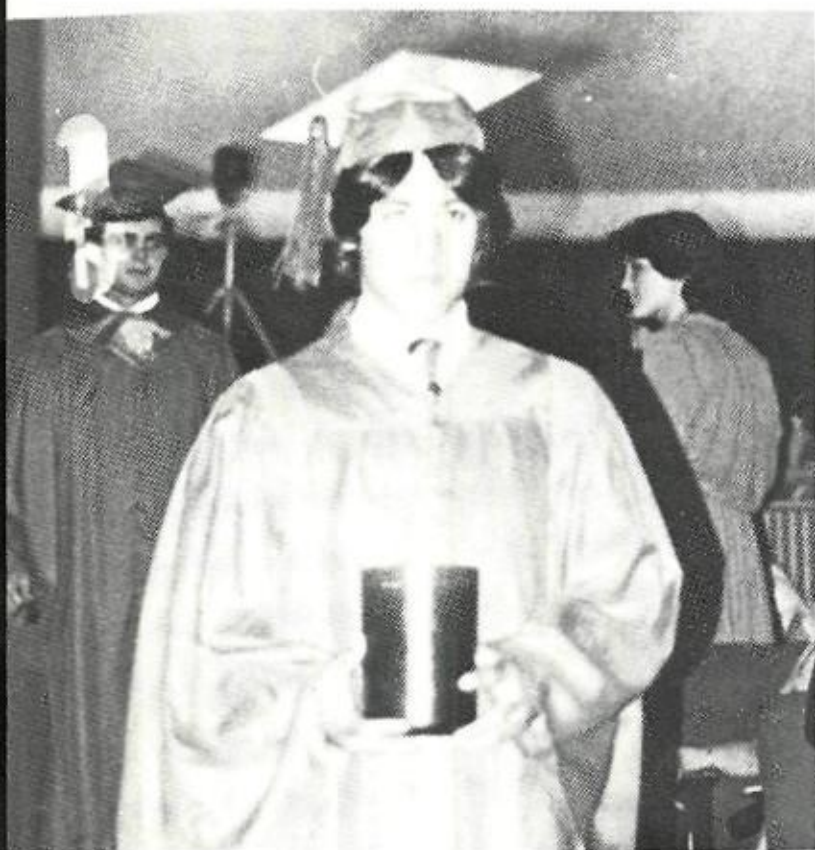

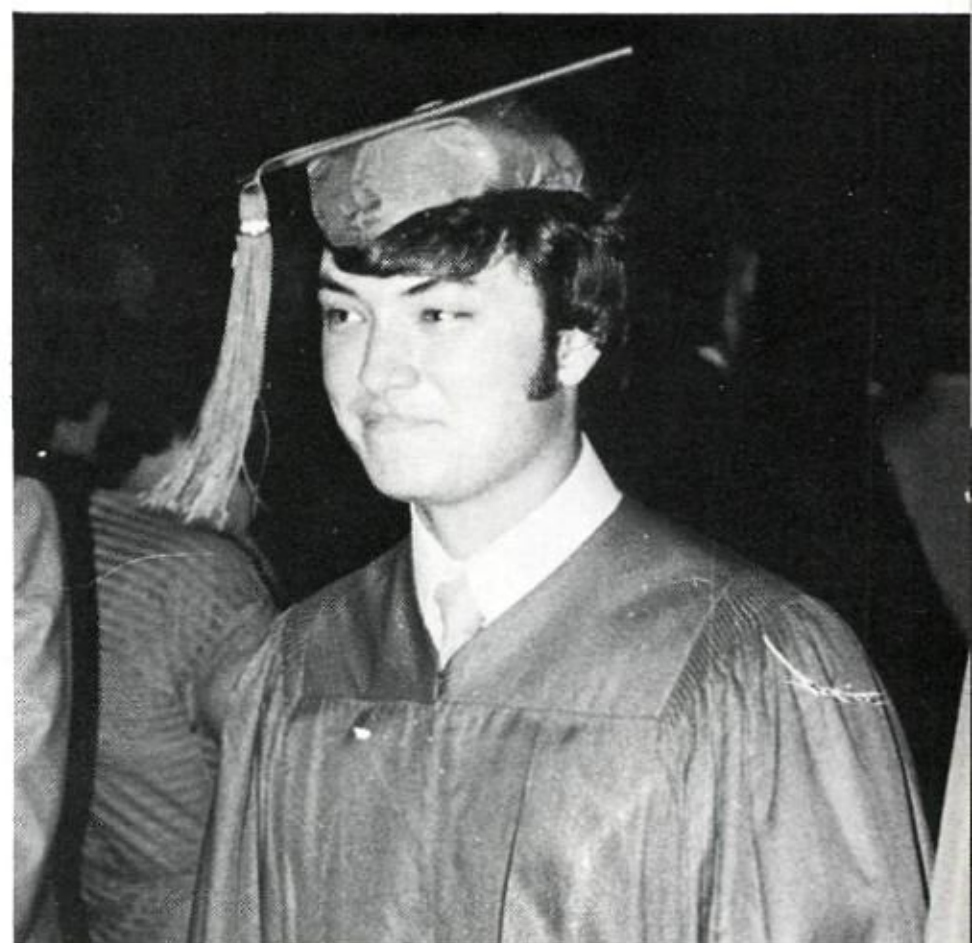

Baccalaureate; we come together once again under God as we have so many times before. Only this time there is more feeling, more pride, more emotion. As a class, we have come to know our Lord, through the good times as well as the rough. The Senior Retreat brought our awareness of that emotion to the fore-front in our lives. And now we come to thank Him for our life and times, and a job well done.

Small town prices. They're still a fact of life.

And for a very simple reason.
We simply don't have the
costly overhead of fancy
downtown dealerships.

What we do have is a large
selection of Chevrolets for
you to choose from—and the
best service anywhere.

So come see us. We're only a
pleasant 30 minutes away.

It is a little known fact that children with kidney failure do not grow. Other symptoms are pale, yellow-tinged skin, headaches, easy fatigue, weakness, itching, difficulty concentrating, fluid restriction, and special diets. One treatment that can make these disappear is the "Gift of Life"—a kidney transplant.

You can help in the fight against kidney disease by signing an organ donor card. For further information contact:
